Ark Burlington Danes Academy

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements: www.burlingtondanes.org/about/policies-reports#policies

You can also obtain further information by visiting the school on the dates set out below.

Key: A single asterisk (*) used below denotes that common definitions can be found on page 26.

After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After*.
2. Children of staff at the school where there is a demonstrable skill shortage – children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the principal's designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
3. Siblings*.
4. Up to 25 per cent of the remaining places will be allocated to children who attend Church of England primary schools in the London boroughs of Brent, Ealing, Hammersmith & Fulham, Kensington and Chelsea, and Westminster and, where there are more applications in this category than places, places will be offered on distance*.
5. Up to 25 per cent of the remaining places will be allocated to children who attend the Ark Academy Trust schools in the borough.
6. Children of staff in the school – where there is no demonstrable skill shortage, priority may be given where the academy has more applications than places available to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.
7. Distance from home to school*.

Tie-break

If any Ark school is unable to distinguish between applicants using the over-subscription criteria, places will be offered via a random draw which will be supervised independently of the school.

Admission criteria

The below criteria has been summarised and you will need to refer to the school's website for the full admission policy and arrangements: www.hammersmithacademy.org/admissions

You can also obtain further information by visiting the school on the dates set out below.

Key: A single asterisk (*) used below denotes that common definitions can be found on page 26.

All students who are applying for a place at Hammersmith Academy for Year 7 will be required to take a fair banding test. The purpose of this non-verbal reasoning test is for the academy to achieve a genuine spread of ability. The results of the test will place the students in one of five ability bands. After the allocation of children with an EHC plan*, the admission criteria will be applied in the following order of priority:

1. Children Looked After or previously Looked After*.
2. Children of staff at Hammersmith Academy.
3. Distance from the academy*.

Tie-break

In the unlikely event of a tie between twins living at the same address, the Academy Trust will admit both and not offer any further places until numbers fall back to the admission number of 140.

If all applications within a band have been exhausted, the remaining places will be offered to siblings within the next highest band based on proximity.

Additional forms to complete

Forms are available from the academy's website or directly from the academy office. Please continue to visit the school's Fair Banding web page for published dates and the registration form.

Sixth form

The academy will aim to admit up to 150 students into Year 12 each year, who meet the published admissions criteria for sixth form entry, both from the academy's own Year 11 and from external schools. The Grammar Stream

What is a Grammar Stream?

A Grammar Stream is a group of 28-32 highly academically able students. They will be taught a more challenging and in-depth curriculum from Year 7 onwards, as well as having access to a programme of extracurricular opportunities that will put them on the path to the world's best universities.

Why are we creating a Grammar Stream?

The Hurlingham Academy is, and always will be, a comprehensive school. However, we recognise that many of our students join us having performed at the highest level in primary school and require an additional level of challenge to reach their potential.

The rationale for the Grammar Stream is to ensure that our most academically capable students have the opportunity to compete at the highest level at A Level, at university and in the job market, alongside their grammar school and privately educated peers. Whilst they are at The Hurlingham Academy, the foci for Grammar Stream students will be:

- To gain a set of GCSEs at grades 7-9.
- To aspire to perform at the highest level in their chosen field.
- To raise their aspirations to performance at the highest level in their chosen field.
- To explore a range of extracurricular opportunities that will help them to develop their own passions and become responsible young citizens, who care for their communities and who are committed to bettering them.

What will be different about the Grammar Stream curriculum?

A key aspect is that students will study two languages from Year 7 onwards: Spanish, as well as either French or Mandarin. For more details, visit the school's website.
